

Школьников Владимир Михайлович

Должность

Директор Центра демографических исследований

Ученая степень

Кандидат географических наук, Институт Географии Академии Наук СССР, 1987

Награды и достижения

2005 год - премия Международного Союза по научному изучению народонаселения (IUSSP) и Фонда Маттеи Доган за вклад в сравнительные и междисциплинарные исследования в демографии

Гранты: National Institute of Aging (USA), 2006-2013; Agence nationale de la recherche/Deutscheforschungsgesellschaft, 2008-2010; Wellcome Trust (UK), 2002-2005, 2006-2010; INTAS, 2002-2003; United Nations Development Program, 1999-2000.

Контакты

117418, Москва, Нахимовский проспект, 47, офис 720

vshkolnikov@nes.ru

Научные интересы

Население и здоровье, межиндивидуальные и межгрупповые различия в здоровье; конвергенция и дивергенция демографических структур; исследования в области здоровья и старения с использованием биомедицинских измерений; смертность и здоровье в России и Восточной Европе; здоровье и социально-экономические реформы

Членство в профессиональных организациях

С 2011 (по настоящее время): Член WHO European Advisory Committee on Health Research (Комитет Европейского бюро ВОЗ по исследованиям в области здравоохранения)

С 2009 (по настоящее время): Член WHO Expert Advisory Panel on Health Science and Technology Policy (Экспертная панель ВОЗ по исследованиям в области общественного здоровья и технологической политике)

С 2007 (по настоящее время): Член WHO's Global Burden of Disease Study (Экспертная группа ВОЗ по исследованию глобального бремени болезней)

С 2005 (по настоящее время): Член WHO High Level Advisory Panel on Health Statistics (Консультативная экспертная панель ВОЗ по статистике здравоохранения)

2002–2005 - Член WHO Advisory Committee on Health Research (ACHR) (Консультативный комитет ВОЗ по исследованиям в области здравоохранения)

2000–2004 - Глава Committee on Emerging Health Threats of the International Union for Scientific Study of Population (IUSSP). (Комитет по Новым угрозам здоровью IUSSP)

1999 - Глава Exploratory mission of the IUSSP for establishing a new Committee on Emerging Health Threats (Исследовательская миссия IUSSP по созданию нового комитета по новым угрозам для здоровья)

С 1995 (по настоящее время): Московский Дом Ученых, Демографическая секция

С 1993 (по настоящее время): Член IUSSP (Международный Союз для Научного Изучения Населения)
