

The Conceptual Dimension of Argumentation*

* The terms “reasons,” “evidence” and “warrants” appear in: Kate L. Turabian, *Student’s Guide to Writing College Papers*, rev. Gregory G. Colomb and Joseph M. Williams. 4th ed. (Chicago: University of Chicago Press, 2010). I have borrowed these terms from Turabian, although I have altered their definitions in order to provide greater clarity and less redundancy.
